

Online Registration Instructions for Mr. Hyer's I.B. SL 2 History Class

NOTE: If you have any kind of trouble with these online technologies, e-mail Mr. Hyer immediately and let him know. (or tell him at school the next day.) **Technical difficulties beyond one day are not an acceptable excuse for not following through with your responsibilities.**

Regarding your e-mail address: Unless you've already done so, you need to establish a "school" e-mail address that has a formal appearing e-mail name and user name. Examples:

GOOD: jhyer@sturgischarterschool.org (Jeff Hyer)

BAD: zupdogJ-fresh@sturgischarterschool.org (Zbad Tomatoz)

Why? You'll use this address for the next two years at Sturgis.

You'll also use it while applying to colleges, so you'll want to appear as professional as possible. I suggest getting a Gmail address.

1. If you don't have one already, you'll need a Google account. You can sign up for an account at <https://www.google.com/accounts/NewAccount> (You may use your existing e-mail address and password when signing up for the account.) You **do not need** to use Gmail, however, I recommend getting one. **Do NOT Lose Your Password!!**
2. Go to my I.B. SL History blog at ibsl2.blogspot.com At the top right of the blog you'll see a section entitled "Follow by E-mail." Enter the e-mail address that you registered with your Google account. **IMPORTANT:** You'll need to verify your request via your e-mail account. Once activated, you'll always receive e-mail updates every time I post homework. It's like magic.
3. At the right of my blog (*just under the e-mail subscription form*) you'll see a heading named, "**jhyer's Online Resources.**" Click on the link for the "Online Registration." Fill out the form and then click submit. (Make sure you know your Google account e-mail address and what period you are in.)
4. That's it. Welcome to your second year of the I.B. at Sturgis East. It is going to be a great year.
